

# Engaged Faculty Scholars Application 2020-21

Please visit the Engaged Scholars Program page to review the program goals and eligibility (<https://www.nccampuscompact.org/our-work/engaged-faculty-scholars/>) prior to applying. A copy of the questions is available to assist in preparation. Please note the character limits.

Deadline: May 17.

Send the required support letter and any additional letters to [nccc@elon.edu](mailto:nccc@elon.edu). All applicants must include a letter of support from their academic dean (or a key administrator who has the authority to support their participation), specifically addressing how the project supports the goals of the school or department and whether any match can be provided. Up to two additional letters of support from students, community partners, faculty members, or administrators, are optional. Letters should not exceed two pages.

\* Required

1. Email address \*

---

## Applicant Information

2. First Name \*

---

3. Last Name \*

---

4. Institution \*

---

5. Title/Position \*

---

6. Daytime phone number \*

---

7. Provide a brief professional bio. This will be posted online if you are selected. \*

---

---

---

---

---

8. Describe your experience with engaged teaching or scholarship. \*

---

---

---

---

---

9. Why are you interested in serving as an NC Campus Compact Engaged Faculty Scholar? \*

---

---

---

---

---

Proposed  
Project

Please describe your project to promote and deepen the scholarship of engagement at your institution.

10. Project Title \*

---

11. Project Focus Area \*

*Mark only one oval.*

- Develop or enhance an academic service-learning course component.
- Conduct a community-based applied or participatory research project.
- Form a new community-campus partnership or expand a current partnership.
- Design and implement a plan to enhance public scholarship as a legitimate and rigorous form of scholarly work on campus.
- Promote the use of service-learning as a teaching pedagogy by facilitating professional development.
- Create or build upon civic engagement initiatives on campus.
- Conduct research on the impact of service-learning/community or civic engagement/public scholarship on participants (students, faculty, community partners).

12. List the project goals. \*

---

---

---

---

---

13. Describe how the proposed project will promote and deepen the scholarship of engagement at your institution. \*

---

---

---

---

---

14. Describe the context for this project (community issue or issue within the institution or the field of service-learning/civic engagement.) \*

---

---

---

---

---

15. Describe how this project relates to your academic discipline. \*

---

---

---

---

---

16. How will this project advance community engagement teaching, research, or scholarship beyond your institution? \*

---

---

---

---

---

17. Describe how the results of the project will be communicated. \*

---

---

---

---

---

Campus  
Partner  
Support

A second goal of the program is for each scholar to assist another NC Campus Compact member campus in building the infrastructure for faculty engagement.

18. Describe your interest in this aspect of the program. \*

---

---

---

---

---

19. Share your experience providing professional development and support for engagement teaching and learning and/or service-learning/civic engagement. \*
